Welcome Back for the beginning of our school year - 2009 -

To all students and parents returning to us for another year and to new parents and students who have joined us, on behalf of the staff, I welcome you to our school. Our staff numbers include a Teaching Principal, three full time teachers and two permanent part time teachers. We have had a good start to the year although once again the weather has not been pleasant but all students and staff are looking forward to an exciting and productive time at school.

Jim Ferguson
Principal
