

Year 1 Labels

Purpose

Book labels are required for each book and folder to enable your child to find their equipment quickly and easily. Labels encourage independence in accessing appropriate materials.

Procedure:

1. Write your child's name on each label.
2. Contact or sticky tape labels to the correct book or folder. Check the table below.

| LABEL NAME | BOOK OR FOLDER | PLACEMENT |
|------------------|--|-------------------|
| Spare Sheets | Plastic document wallet | centre front flap |
| HPE | Plastic document wallet | centre front flap |
| Integrated Units | Scrap book | top right corner |
| Big Ideas | Scrap book | top right corner |
| Virtues | Scrap book | top right corner |
| English x2 | <u>A4</u> Year 1 Red and blue lined book | top right corner |

Other Information:

Clear contact or re-usable plastic sleeves can be used to cover books if you wish. THIS IS OPTIONAL.

Do not use glue to attach labels as the labels rip off very quickly.
